CHRIST CHURCH PREPARATORY SCHOOL AND COLLEGE

Code of Conduct and School Rules

1. PRINCIPLES AND AIMS

Our aim is to create a harmonious and safe environment where we can work and learn, plan and socialise and develop a sense of pride in our school, with the minimum conflict and misunderstanding.

The Code of Conduct, School Rules and School uniform Regulations have, therefore, been drawn up to ensure the safety of learners and to maintain an effective organisation and good discipline in our school. They are constantly brought to the attention of our learners, as are the channels to follow and who to refer to when the need arises. Their implementation, in turn, will provide each learner with the opportunity to work productively and achieve his potential in an environment conducive to learning, growth and development.

It is the wish of our school and community to be proud of the achievements, appearance and conduct of our learners. Christ Church Preparatory School and College, therefore, expects all learners to conduct themselves, at all times in such a manner that they will be a credit to the Lord Jesus Christ, themselves, their family and the school. This means the maintenance of a high standard of behaviour and dress at all times, including behaving in a responsible, courteous manner towards all people, both in and out of school.

Discipline, particularly self-discipline is a prerequisite for a healthy educational environment and it is expected that every learner conforms to the prescribed Code of Conduct and the set of School Rules and School Uniform Regulations as published and amended from time to time.

In a changing world in which we are all re-assessing our values, we at Christ Church Preparatory School and College nevertheless remain convinced that etiquette and good manners are the cornerstone of good interpersonal relationships.

1.1 INFRINGEMENTS

The rules of the school are there to ensure that each learner is given the best possible environment in which to develop to the best of their ability.

It must be remembered that a school is a microcosm of society, and the rules of society are there to protect the individual.

The principal and staff reserve the right to administer appropriate punishments when infringements of school rules and norms of behaviour occur.

1.2 THE GUIDING PRINCIPLE

At Christ Church Preparatory School and College, we do not impose rigid, military-style discipline based on fear or corporal punishment. We do, however, have rules based on socially accepted conventions and common sense, to direct our expectations of learners' behaviour at school. The development of social skills and self-discipline is inherent in our approach to discipline.

The local community and general public at large also judge the behaviour of our learners outside the school, after school hours. We reserve the right therefore, to take action if learners, whether in school uniform or not, behave in a manner which brings the school into disrepute.

Learners who persistently behave in a manner which disrupts the work of others in the classroom may be temporarily excluded from a class, or even suspended from the school at the Principal's discretion.

Parents will be asked to bear the costs of replacing, or repairing equipment lost, or damaged, through negligence, wilful destruction to school property, or disobedience of the school rules.

The guiding principle is:

TO SERVE AND TO LEAD

This encapsulates the qualities which should govern our relationships with one another both in and outside the school. If these values are included at school and in the home, it should be unnecessary to have to stipulate what the required norms of behaviour are in any given situation.

1.3 MINOR INFRINGEMENTS

These could result in letters of warning, detention, some form of extra-curricula work or community service.

1.4 MAJOR INFRINGEMENTS

This could result in suspension from class, detention, suspension from school, a disciplinary hearing, or expulsion. If a learner is suspended for a major offence, he may be deprived of school awards.

2. GENERAL SCHOOL RULES

2.1 GUIDELINES TO APPROPRIATE BEHAVIOUR

2.1.1 PUNCTUALITY

Learners are expected to arrive on time and properly dressed in the correct school uniform. School commences at 07:45 and ends at 14h30. Latecomers must first report to the office to collect a late slip which must be presented to the register teacher.

2.1.2 ABSENCE

A note from a parent/guardian must be produced prior to any planned absence from school, and following an illness. If a learner is absent for longer than three days, the parent must produce a doctor's certificate on his return.

2.1.3 TESTS AND EXAMINATIONS

If absent for a formal test or examination, learners are required, on returning to school, to produce a medical certificate.

2.1.4 LEAVING SCHOOL PREMISES

Parents must notify the school timeously if learners need to be absent for part of the school day. Please note, wherever possible, all appointments should take place after school hours.

2.1.5 BEHAVIOUR AFTER SCHOOL

The school reserves the right to take action against any learner who behaves in public or on a school bus in a manner which reflects adversely on the school's good name. Any major infringement, in or out of school, by a Student Executive or member of the RCL may result in his/her removal from their post.

2.2 RESTRICTED AREAS

In the interests of safety, privacy or confidentiality the following areas are out of bounds to learners, unless accompanied by a staff member:

- in the staffroom, photocopy room and the computer room
- classrooms at break, before and after school.

2.3 COURTESY

Learners are expected to be courteous and respect the rights of others at all times and to make a special effort in the case of visitors.

GUIDELINES

2.3.1 Greet staff/parents/visitors and extend assistance in a courteous fashion when required.

2.3.2 On occasion when guests or speakers are present, learners should show respect by:

- a) standing in silence when the person enters or leaves the room
- b) responding courteously to greetings
- c) remaining silent during the time the guest/speaker is present or speaking

2.3.3 Hosting visitors to extramural activities:

Learners should treat visitors to the school with respect, friendliness and courtesy. This includes meeting them on arrival, and showing them where to go, as well as offering refreshments etc. when these are served.

2.4 THE SCHOOL DAY

2.4.1 Learners must be at school by 7:45 each morning.

2.4.2 Learners will attend all classes indicated on their time tables.

2.4.3 Learners are to come prepared for each of their lessons. Special care must be taken to bring the required equipment for specialist subjects.

2.4.4 Learners may not leave the school premises during the school day without a signed letter from the Principal or his authorised representative.

2.4.5 All absences must be supported by a note signed by the parent.

2.4.6 The school must be informed telephonically or otherwise if the absence

is for longer than one day.

2.4.7 A learner who misses an exam, or is absent for 3 days or longer, is required to produce a doctor's certificate.

2.4.8 Homework notebooks/diaries are compulsory for all grades. These must be accurately maintained and monitored by both learners and parents. Homework must be conscientiously completed.

2.5 THE LEARNING PROCESS

The learning process benefits from each learner taking responsibility for playing his part as a good learner and "citizen".

2.6 CLASS

In class, the learners must respect the learning process by being attentive during lessons and co-operating with the teacher through positive participation, and not talking out of turn. Disruptive behaviour will not be tolerated. If your teacher has not arrived within 5 minutes of the start of the lesson, a class representative from your class should inform the Principal or the front office. The remaining learners should line up outside the class and wait quietly until a teacher arrives.

2.7 SCHOOL ENVIRONMENT

Learners must respect the school environment by tidying the room after each lesson and make every effort to keep the school and its grounds tidy at all times.

To prevent unnecessary mess, there should be no eating or drinking in the school buildings, including the library. The chewing of gum is not permitted on the school premises or elsewhere while learners are in school uniform.

2.8 MOVEMENT

Learners must try to facilitate ease of movement in the corridors by moving quickly and quietly, in single file, keeping to the left where possible.

2.9 SAFETY AND SECURITY

Learners must look after their possessions and respect the possessions of others. No learner is to leave money or valuables in any classroom or change rooms at any time during school or after school. Where a sports team is involved, money and valuables should be handed to the teacher in charge for safe-keeping until after the practice or match. Lockers are available at a rental of R50 per year. College learners will be given first preference after which Senior Primary learners will be given the option to rent a locker. Lockers have also been placed in the bathrooms in the pool complex. Valuables may be locked away for the duration of the sport session.

THE SCHOOL IS NOT RESPONSIBLE FOR THE LOSS OF MONEY OR VALUABLES

All items of clothing, including shoes should be clearly labelled with the learner's name. Such articles are costly and must be looked after.

2.9.1 BICYCLES AND MOTOR VEHICLES

- a) No bicycles or motorcycles may be ridden in the school grounds. They must be pushed between the gates and in the parking area where they should be locked up in the designated area.
- b) To avoid accidents, no riding of bicycles, skateboards/rollerblades, is permitted during school hours (including breaks) or after school in the school grounds unless specifically involved in a club and under authorised supervision.
- c) All learners allowed to drive motor cycles or motor vehicles must be able to produce their licences to the Principal on request.

2.9.2 HITCH-HIKING

Hitch-hiking is forbidden in school uniform. It is potentially dangerous and should, therefore, be discouraged.

3. BEHAVIOUR AND RESPONSIBILITIES

These are constantly brought to the attention of our learners, and their interpretation shall rest with the Principal.

- 3.1 Learners must attend school during the prescribed school days and school hours and may not leave the school grounds or absent themselves from lessons without the Principal's or his authorised representative's permission.
- 3.2 Correct school uniform is to be worn when the learner is at school, going to and from school and home, and when attending any official school function / activity/sport.
- 3.3 Learners are required to show the necessary dignity, respect and consideration to all people both in and out of school. They shall conduct themselves in a responsible, courteous and disciplined manner when dealing with members of staff and Student Executive, or anyone in authority and are required to obey their instructions.
- 3.4 Learners may not have in their possession nor use cigarettes (or allied products), other drugs, alcoholic beverages or objectionable literature or recorded matter or stolen property:
anywhere when in school uniform if they are likely by reason of utterance or conduct, to be identified as learners of Christ Church Preparatory School and College
- 3.5 Learners shall respect the school and other people's property and possessions. They shall not damage, deface, soil, or take without permission any other person's property. Such damaged or stolen property will be replaced or made good at the defaulter's expense. All possessions should be clearly marked with the learner's full name. The school accepts no responsibility for loss, damage or theft of learners' valuables and possessions.
- 3.6 Learners may not harm other people or endanger their physical welfare, nor use abusive language, either at school or in public. No weapons, toys, fireworks, inflammable or other materials or potentially dangerous items which can cause bodily harm or other damage may be in the possession of learners.
- 3.7 The school reserves the right to conduct a search of a learner(s) and/or possessions if there are reasonable grounds to believe such learner(s) may be in

possession of articles or materials prohibited in the school, including stolen goods.

3.8 Learners may not bring the following to school:-

3.8.1 any pets or captive animals e.g. snakes or fish, without prior, written permission of the teacher concerned.

3.8.2 Cards, dice or other games of chance. This will lead to punishment.

3.8.3 Walkmans, beepers, MP3 players, cellphones or any other electronic device will also lead to punishment.

If a learner brings any of the items mentioned in 3.8.2 and 3.8.3 to school it would be confiscated and only returned at the end of the term. The school will also not accept responsibility should any of the items be lost or damaged at school.

3.9 Learners may not use any facilities or equipment of the school, including those for sport and may not be on the school grounds outside school hours without the Principal's permission, or his authorised representative's permission unless participating in a bona fide school or church activity.

3.10 The school aims to disassociate itself from political affiliations. Learners must, therefore, refrain from associating with or taking part in any activity related to party politics, protest marches or pressure groups which could be linked to the school.

3.11 Learners must participate in the full educational curriculum. A request for exemption with detailed motivation, must be made by the parent, in writing, to the Principal, who may call for a medical certificate, if he deems it necessary. Learners exempted from any aspect of the school curriculum will be required to carry out tasks and duties as directed by the teacher in charge. Homework forms part of the official curriculum.

3.12 Learners are required to participate in at least one co-curricular activity each term.

3.13 Membership of a team, society or activity involves a COMMITMENT TO ATTEND ALL PRACTICES, MATCHES AND FUNCTIONS. A learner who does not fulfil his inter-school commitments does great damage to his/her and the school's reputation.

Learners unable to attend an extra-curricular practice or inter-school fixture must submit a request in writing, from their parents to the teacher in charge at the earliest opportunity, and well before the event, i.e. at least two days' warning. Such requests will not necessarily be granted. Should a learner fall sick or otherwise be unable to attend a practice he/she must inform the necessary teacher/coach concerned on THAT DAY.

3.14 If a learner is required to be on prescription medication, the school is to be notified in writing.

3.15 ADDITIONAL "IN-SCHOOL RULES". To enable the school to function effectively and therefore give your son/daughter every opportunity to realise his/her potential, there are a number of additional "IN-SCHOOL" rules. These include the Sick Room procedure, Media Centre Rules and Guidelines, behaviour at Assembly, in the Tuck Shop, in the toilets and classrooms, in the school buildings and on the school property, on the school sports fields, out-of-bounds areas, on busses to and from school, during excursions, when visiting other schools, and so on. 5. THE REPRESENTATIVE COUNCIL OF LEARNERS

The R.C.L. consists of members elected from all grades in the school. The function of the R.C.L. is to represent the interest of the learners of Christ Church Preparatory School and College.

To do so more effectively sub-committees are elected to look into specific matters giving each elected member the responsibility of representing the school. Regular meetings of the sub-committees as well as the full R.C.L. are held.

When suggestions are made by learners, they are put forward to the relevant sub-committee to investigate and then the R.C.L. will take action upon the advice of the sub-committee.

The main aim of the R.C.L. is to work as a united front, handling concerns and interests of learners. The R.C.L. takes every step with a pro-active approach in bringing about a positive atmosphere amongst learners and the staff of Christ Church Preparatory School and College thus creating a pleasant working environment at school.

6. THE STUDENT LEADERSHIP

Being a member of the Student Leadership Team servant is an honour, but also a responsibility because only by being worthy and serving can respect be earned.

6.1 PUNISHMENT

The members of the S.L.T must at all times be seen to uphold the rules and traditions of the school. Only then can they punish their peers who are guilty of transgressions.

The following are some of the punishments that the S.L.T. can set when appropriate:-

- ❖ Written punishment
- ❖ Community service (litter duty, cleaning classrooms, wiping walls, etc.)
- ❖ S.L. detention

Major offences will be reported to the Principal. Failure to carry out S.L.T's punishment will be viewed as behavioural misconduct and treated as such.

7. MISCONDUCT

Learners who have broken the Code of Conduct, School Rules and Uniform Regulations (as amended from time to time) will be subject to counselling and/or reprimand and punishment - which may include verbal and written warnings, loss of privileges, menial work (litter duty, weeding etc.), extra written work, detention and in certain cases, temporary suspension.

In serious cases of ill-discipline and misconduct, e.g. theft, vandalism, violence, truancy, unseemly behaviour, refusal to take punishment, dishonesty and blatant lying, gross insubordination and other similar acts of gross misbehaviour, such as drug and alcohol abuse, possession of dangerous weapons, the action to be taken is governed by this Code of Conduct.

It is important to note that the contents of a learner's TESTIMONIAL will depend on the learner's behaviour, dress, attitude, attendance, participation in school co-curricular activities and so on throughout his/her school career. In the final analysis the testimonial is written by the learner himself/herself, and it may be withheld should he/she not adhere to the generally accepted norms of behaviour of the school. Testimonials are, after all, a privilege and not a right.

MISCONDUCT POLICY

Misconduct will be documented and parents will be advised in writing when and for what reasons their child is required to remain after school for academic or behaviour detention, or to report to school on Saturday for Saturday school. Saturday school and afternoon detention take preference over any other activity. Failure to attend either Saturday school or detention will result in a letter of warning of suspension as well as another detention/Saturday school determined by the school. Should he/she still fail to attend, he/she will receive a second, final warning of suspension.

A learner who fails to attend another time will be called to appear before the Disciplinary Committee of the Governing Body and may well be suspended or expelled.

7.1 ACADEMIC MISCONDUCT

7.1.1 Learners late for school:

- (a) All late comers must report to the front office upon arrival.
- (b) Note from the secretary to be given to the subject teacher into whose class the learner arrives late. The learner is required to catch up on work missed and complete all homework set. Lateness is no excuse for work not done.

7.1.2 Frequently absent without cause:

- (a) Learners who have been identified as having an excessively high absentee rate are required to produce a medical/doctors certificate on their return. If a learner is sick enough to stay away from school, he/she is sick enough to visit a doctor and obtain a medical certificate.

7.1.3 Learners having a doctor's appointment during school:

- (a) Either before the appointment or on returning to school, the learner must produce an appointment card reflecting the date and time of the appointment.

CATEGORIES OF MISCONDUCT AND APPROPRIATE DISCIPLINARY MEASURES

This document is intended to serve only as a guideline in relation to appropriate disciplinary measures in respect of specific forms of misconduct. It must be borne in mind that the appropriateness of any disciplinary measure must be assessed in the light of the particular circumstances in which the incident of misconduct has occurred taking into account the seriousness of the misconduct and any relevant mitigating factors.

The aim of punishment is not to degrade or humiliate, but rather to guide and educate learners towards appropriate forms of behaviour. The guiding principles must always be that any disciplinary action taken must be fair, reasonable and proportionate to the misconduct. The particular misconduct and the circumstances in which the conduct occurs may justify departures from these guidelines.

- ❖ Learners must understand that action may be taken against them if they contravene the Code of Conduct .

The philosophy of the disciplinary system is based on human dignity and on respect and consideration for others and not on fear.
